**Summary of reasons
for classification:**

The computer image file printout entitled *12yozxup7.jpg* is classified as:
Objectionable.

The publication promotes and supports the exploitation of children for sexual purposes. The publication is an image of two naked children posing in a sexualised manner displaying their bodies for the viewer's close inspection. The title confirms that the young age of the subjects is the primary element of arousal. The image legitimises the idea that it is appropriate and acceptable for adults to become sexually aroused by children and further, that they are sexually available for adult attention.

The classification of this publication interferes with the freedom of expression as set out in s14 of the New Zealand Bill of Rights Act 1990. This outcome is consistent, however, with Parliament's intention in the Films, Videos, and Publications Classification Act 1993 to prevent the availability of publications that promote and support the exploitation of children for sexual purposes.
